THE ROTARY BELL

Tune" O Tannenbaum"

Stand up! The gavel strikes the bell

Of Rotary, of Rotary

It has a message clear to tell,

Of Rotary, of Rotary

Its call rings out for men to meet,

From market place and busy street

In friendly clasp each one to greet,

Of Rotary; of Rotary

ROTARY MORNING SONG

(Tune: Mocking Birdhill)

When the sun in the morning
Peeps over the hill
And wakes up Rotarians
To a six-thirty meal
There's a meeting to preside
And a problem to decide
That Rotarians may serve
In the needs of Mankind

Cho

Tra la la tweedle dee dee
It gives me a thrill
To wake up to the sound
Of the Rotary bell
Tra la la tweedle dee dee
Let's sing of goodwill
Of truth and better friendship
And of fairness to all.
(Repeat)

VIVE LE ROTARY

Tune: "Vive La Compagnie"

I

Let every good knight raise his helmet and glove!
Vive Le Rotary!

Vive le Rotary!

Chorus

Vive le, Vive le, Rotary!
Vive le, Vive le, Rotary!
Truth is our right,
Love is our might
Vive le Rotary!

II

When something is wrong; let us straighten it out,
Vive le Rotary!
For nothing is worse than a fear or a doubt
Vive le Rotary!
(Chorus)

III

The grooming of men is a duty we claim
Vive le Rotary!
Let's carry on business with fame to our name.
Vive le Rotary!
(Chorus)

IV

The man with a smile, is the fellow we need,
Vive le Rotary!
Who loses himself in the shaming of greed.
Vive le Rotary!
(Chorus)

SING A SONG TO ROTARY

Sing a song to Rotary,
Shout 'til the rafters ring;
Stand and give a cheer once again
Let every loyal man now sing.
Sing to all the happy hours,
Hail to the cheerful days;
Here's to Rotary forever,
Its memory in our hearts always.

LOVE IS A MANY SPLENDORED THING

Love is a many splendored thing
It's the April rose
That only grows in the early spring
Love is nature's way of giving
A reason to be living
The golden crown that makes
A man a king.

Lost on the high and windy hill
In the morning mist
Two lovers kissed and
The world stood still
Then your fingers
Touched my silent heart
And taught it how to sing
Yes true love a many splendored thing.

WELCOME TO THE GOVERNOR

(Tune: "Clementine")

We will sing a tuneful welcome
To our Governor today
That's a way we have at Rotary
To bring visitors our way.
Governor we're glad to see you
And we hope we please you too.
Tell us all you know of Rotary
And the things that we should do.

MORE

More than the greatest love the world has known

This is the love I give to you alone

More than the simple words

I try to say

I only live to love you more each day

More than you'll never know

My arms long to hold you so

My life will be in your keeping,

Waking, sleeping, laughing, weeping.

Longer than always

Is a long, long time

But far beyond forever

You'll be mine

I know I've never lived before

And my heart is very sure

No one else could love you More.

I BELIEVE

I believe for every drop of rain that falls
A flower grows.

I believe that somewhere in the darkest night
A candle glows

I believe for every one who goes astray
Someone will come to show the way
I believe, I believe

I believe above the storm the
smallest prayer will still be heard
I believe that someone in the great
somewhere hears every word
Every time I hear a new born baby cry
Or touch a leaf or see the sky
Then I know why, I believe...

YOU ARE THE SUNSHINE OF MY LIFE

You are the sunshine of my life
That's why I'll always be around
You are the apple of my eye
Forever you'll stay in my heart.
I feel like this is the beginning
Though I've lost you for a million years
And if I thought our love was ending
I'd find myself drowning in my own tears. Whoa

You are the sunshine of my life
That's why I'll always stay around
You are the apple of my eye
Forever you'll stay in my heart

You must have known that I was lonely
Because you came to my rescue
And I know that this must be heaven
How could so much love be inside of you? Whoa.

As Time Goes By

You must remember this
A kiss still a kiss
A sigh is just sigh
The fundamental things apply
As time goes by
And when two lovers woe
They still say "I love you"
On that you can rely
No matter what the future brings
As time goes by
Moonlight and love songs never out of date
Hearts full of passion, jealousy and hate
Woman needs man, and man must have his mate
That no one can deny
It's still the same old story

YOUNG AT HEART

Fairy tales can come true
It can happen to you
If you're young at heart
For it's hard, you will find
To be narrow of mind
If you're young at heart
You can go to extremes
With impossible schemes,
You can laugh when your dreams
Fall apart at the seams
And life gets more exciting
With each passing day.
And love either in your heart
Or on the way.

Don't you know that it's worth every treasure on earth
To be young at heart.
For, as rich as you are,
It's much better by far
To be young at heart

And if you should survive
To a hundred and five
Look at all you'll derive
Out of being alive,
And here is the best part,
You have a head start
If you are among the very
Young at heart.

FOOLS RUSH IN

Fools rush in where angels fear to tread
And so I come to you my love
My heart above my head
Though I see the danger there.
If there's a chance for me, then I don't Care.

Fools rush in where wise men never go.
But wise men are never fall in love
So how are they to know?
When we met I felt my life begin
So open up your heart, and let this fool rush in.

NAPSACK ON MY BACK

I love to go a wondering along the mountain top,
and as I go I love to sing my knapsack on my back.

Valderee Valderaa Valderee Valderaa hahahaha

Valderee Valderaa my knapsack on my back,

I love to wonder by the stream along

The mountain side, and as I go I love to

sing my knapsack on my back.

Valderee Valderaa, Valderee Valderaa hahahaha

Valderee Valderaa my knapsack on my back.

SING A SONG

Sing, Sing A Song

Make it Simple

To last your whole life long

Don't worry that is not good enough

For any one else to hear

Just sing, sing a song.

La la la la la, la la la la la

La la la la la, la la la la la

Sing, Sing a Song

Make it Simple

To last your whole life long

Don't worry that its not good enough

For any one else to hear

Just sing, sing a song

Just sing, sing a song

LOVE IS SOMETHING YOU GIVE IT AWAY

Love is something if you give it away,
Give it away, Give it away
Love is something if you give it away
it will come right back to you.

It's just like a magic penny,
Hold it dear and you'll no any
Love is something if you give it away it
will come right back to you.

ROTARIANS SERMON ON SHOES

Do you know Rotarians you're a sermon on shoes,
Do you know Rotarians you're a sermon on shoes,
Jesus calls upon you to serve and light the world
Do walked it and light it a sermon on shoes

Do you know the world is watching all that we do
Do you know the world is watching all that we do
Jesus calls upon you to serve and light the world...
Do walked it and light it, and live it a sermon on shoes.

TO ALL THE GIRLS I'VE LOVE BEFORE

To all the girl's I've love before
Who traveled in and out my door
I'm glad they came along
I dedicate this song
To all the girls I've loved before
To all the girls I once caressed
Then may I say feel the best
For helping me to grow
I owe a lot I know
To all the girls I've love before

Chorus:

Then winds of change are always blowin'
When every time I tried to stay
Then winds of change continue blowin'
Then they just carry me away

To all the girls who share my life
Who now are someone else's wives
I'm glad they come along
I dedicate this song
To all the girls I've love before
(Repeat Chorus)

WE ARE THE WORLD

There comes a time
When we need a certain call
When the world must come
Together as one
There are people dying
And it's time to lend a hand
To live, the greatest gift of all

And we can't go on
Pretending day by day
That someone, somewhere
Will soon make a change
We are all apart of
God's great big family
And the truth, you know
Love is all we need

Chorus:

We are the world
We are the ones
Who make a brighter day
So let's start giving
There's a choice we're making

We're saving our own lives
It's true we'll make a better
day
Just you and me
Oh send them your heart
So they'll know that someone
cares
And our lives will be stronger
and free
As God has shown us by
turning stones to bread
And so we all must lend a
helping hand

Repeat Chorus:

When you're down and out
There seems no hope at all
But if you just believe
There's no way we can fall
Let's realize, that a change can
only come
When we stand together as
one

Repeat Chorus 2x

Let Me Try Again

Frank Sinatra/P. Anka, S. Cahn & Caravelli

I knew I said I was leaving
But I just couldn't say goodbye
It was only self-deceiving to walk away from someone
Who means everything in life to you
I've learned and I've come back to stay

Refrain:

Let me try again, let me try again
Think of all we had before, let me try once more
We can have it all, you and I again
Just forgive me or I'll die, please let me try again

It was such a fool to doubt you
To try to do it all alone
There's no sense to life without you
Now all I do is just exist
And think about the chance I've missed
To beg is not an easy task
But pride is such a foolish mask
(Refrain)

ALL THE THINGS YOU ARE

You are, the promised kiss of springtime
That makes me lonely winter, seem long
You are, the breathless hush of evening
That trembles on the brink of a lovely song
You are the angels glow
That lights a star
The dearest things I know
Are what you are.

Someday, my happy arms will hold you
And someday, I'll know that moment divine
When all the things you are, are mine

TOP OF THE WORLD

Such a feelin's coming over me
There is wonder in most everything
I see
Not a cloud in the sky
Got the sun in my eyes
And I won't be surprised if it's a
dream
Everything I want the world to be
Is now coming true especially for
me
And the reason is clear
It's because you are here
You're the nearest thing to heaven
that I've seen

CHORUS

I'm on the top of the world looking
down on creation
And the only explanation I can find
Is the love that I've found
Ever since you've been around
Your love puts me at the top of the
world.

Something in the wind has learned
my name
And it's tellin me that things are
not the same
In the leaves of the trees and the
touch of the breeze
There's a blazin' sense of happiness
for me
There is only once wish on my mind
When this day is through I hope
that I will find
That tomorrow will be just the
same for you and me
All I need will be mine if you are
here.

(Repeat Chorus 2x)

CLIMB EVERY MOUNTAIN

Climb every mountain,
Search high and low
Follow every byway,

Climb every mountain, ford every stream
Follow every rainbow, till you find your dream.
A dream that will need all the love you can give

Every of your life, for as long as you live

Climb every mountain ,
Ford every stream
Follow every rainbow
Till you find your dream.

ALL OF ME

I

All of me

Why not take all of me

Can't you see

I'm no good without you

Take my lips I want to lose them

Take my arms, I'll never use them

II

Your goodbye

Left me with eyes that cry

How can I go on dear with out you

You took the part

That once was my heart

So why not take all of me.

BORN FREE

Born free, as free as the wind blows
As free as the grass grows
Born free to follow your heart
Live free and beauty surrounds you
The world still astounds you
Each time you look at the stars
Stay free, where no walls divide you
You're free as a rolling tide
So there's no need to hide
Born free and life is worth living
But only worth living
Cause you're born free.

ROLL ON, ROTARIANS

Roll on, Rotarians –
Roll on and spread your good cheer;
Roll on, Rotarians –
Sing so the whole world can hear
Rotary wheels are moving –
Serving both those far and near;
If you want to WORK with Rotary
Join the Gang Right Here!

**ROTARY AND YOU MY
DARLING**
(Lyrics by: Henry Benito)

Don't you know, don't you know
that in Manila,
Or in far Zamboanga, Naga or Lipa
You may fly to Aparri or Davao
City,
You'll find a friend in Rotary.

Ref:

So fear not, my little darling,
Don't worry when I'm away,
For even out in the country,
I'll find a friend in Rotary.

Should you go to Europe or to
down Australia,
Canada or Africa, America,
You will find Rotarians joining
hands in good will,
All guided by the Rotary wheel.

Ref:

So fear not, my little darling
Don't worry when I'm away,
For even across the oceans,

I'll find a friend in Rotary.

In our dealings with our fellowmen
we're fair,
We are truthful to the core
because we care
For our family, community and
country
And for the cause of Rotary.

Ref:

So fear not, my little darling,
Don't worry for I'll return,
I'll never, never go astray dear,
Or disarray the rotary gear,

Ref:

So, come join me little darling
I love you, I truly do,
I need you close beside me, honey
To reach the goals of Rotary.
To reach the goals of Rotary.
To reach the goals of Rotary.

TAKE TIME TO SERVE TODAY

(Lyrics by: Henry Benito)

Are you searching for your place in Rotary?

“Take time to serve today!”

Are you challenged by the pace of Rotary?

Take time to serve today!

For service is the symbol,

And Rotary’s final goal

But should we fail to reach this goal,

We strive to serve a little more

So why not a little time for Rotary?

Service is the reason for our Rotary?

So, you fellows come, unite and say:

“Take time to serve today!!” (2x)

ROTARY TOWN

Tune: "Home on the Range"

Oh, give me a town where there's never a frown,
But a Rotary spirit supreme,
Where the fellows are known by their first names alone
And where friendship is no idle dream

Chorus

Oh, Rotary Town,
Where men are all happy and gay!
They meet every week
Plans of goodwill to seek,
May their influence spread far away!
(Repeat Chorus)
